THE THIRTIETH ANNUAL REPORT

OF THE

BOARD OF MANAGEMENT

OF THE

KETTERING AND DISTRICT GENERAL HOSPITAL.

The Board of Management have pleasure in submitting to the Governors the 30th Annual Report and Abstract of Accounts for the Year ended the 31st December, 1927.

In presenting this Report, the Board desire, in the first place, to survey briefly the chief features of the Hospital, and secondly, to arouse the interest of the general public in the many branches of curative and remedial work done in the Institution. To appreciate fully the character of the services rendered, a visit is necessary, and the Board invite all persons interested to communicate with the Secretary-Superintendent, who will be pleased to arrange a tour of inspection.

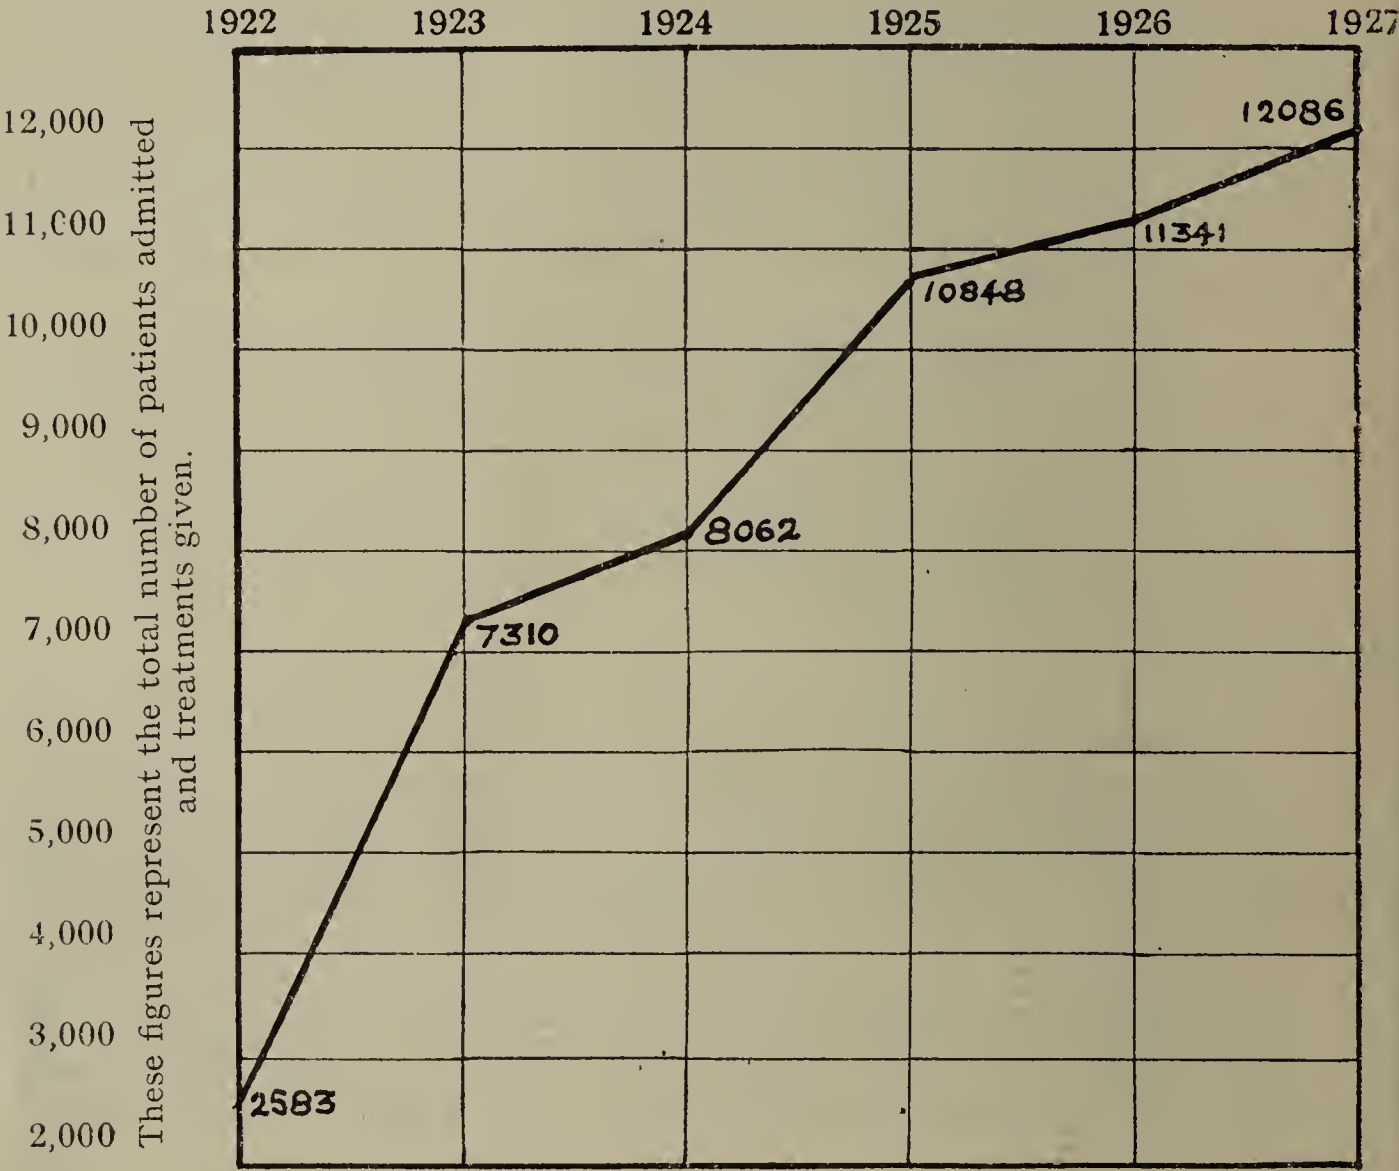

THE YEAR'S WORK. During the past year the work of the Hospital has met with the utmost appreciation. Every bed in the General and Private Wards has been regularly occupied, which shows in a remarkable degree the growing popularity of the treatment given. The number of patients admitted was 1,159 making, with the 59 remaining in the Hospital on the 31st December, 1926, a total of 1,218.

The number of cases receiving assistance in the Surgical Aid Department was 192, whilst 510 eye cases were treated. In the X-Ray Department 619 patients were attended to, and in all 2,401 Radiographs were taken and treatments given. The number of "Artificial Sunlight" treatment exposures was 840, and in the Massage Department 194 patients attended for 4,722 treatments.

It will be seen, therefore, from the above figures and the following table, that the volume of work has exceeded that of any previous year, which again proves that the Hospital continues to gain year by year the confidence of the public it serves so well.

GRAPH SHOWING THE RISE IN THE VOLUME OF WORK
DONE OVER A PERIOD OF 6 YEARS.

INCOME AND EXPENDITURE. The Board are pleased to record an increase over last year in Ordinary Income, the total being £9,696 1s. 2d.—the highest on record. At the same time it will be noticed that the Expenditure is almost stationary and this in spite of the extra work incurred in connection with the Nurses' Home and the newly-established Maternity Ward.

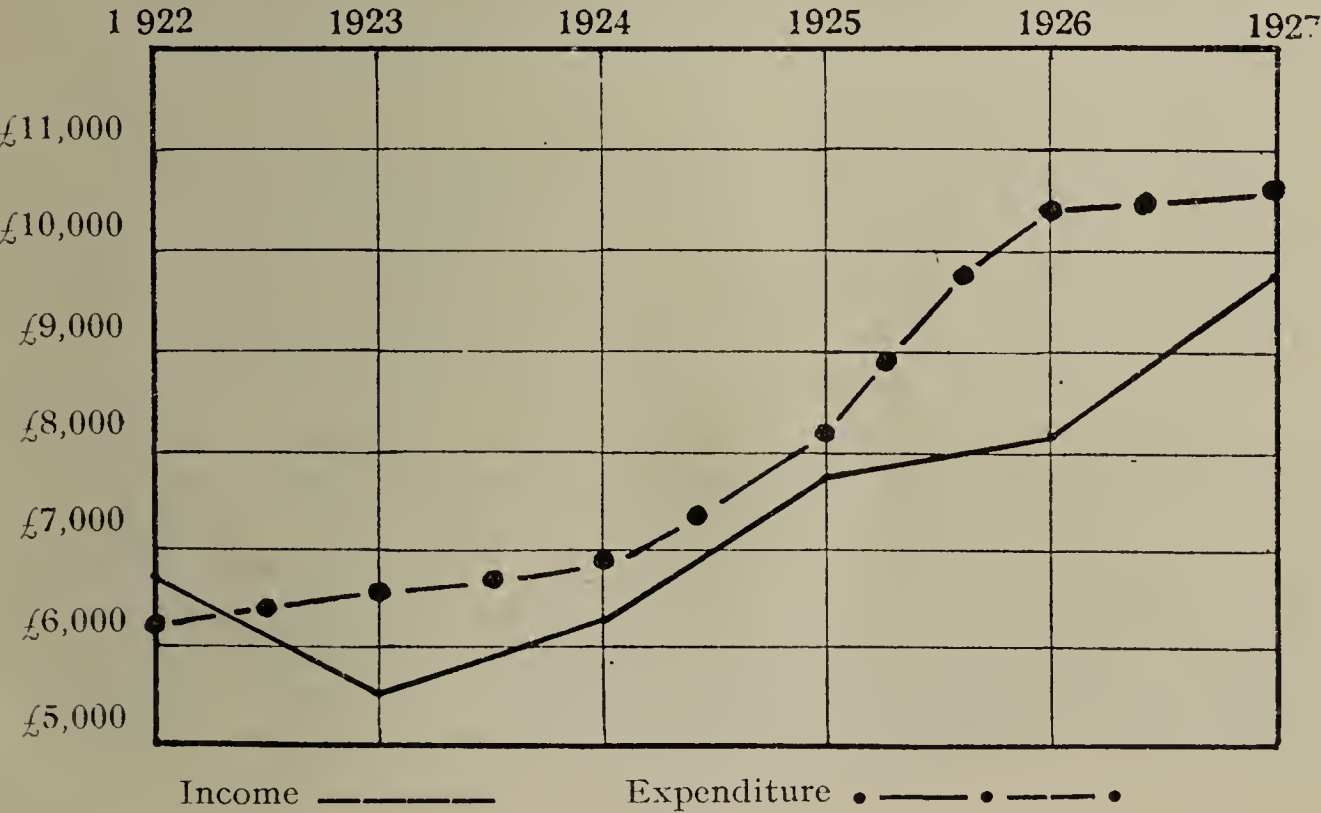

On reference to page 14 it will be seen that the average cost per bed occupied works out at £2 16s. 4¼d. per week, and the average cost per In-Patient at £7 13s. 3¼d. These figures compare with statistics of other hospitals large or small most favourably and prove that every care is exercised in spending the funds of the Institution.

It is still, however, a matter of deep concern that the Expenditure is not covered by the Income. The smaller deficit of £801 11s. 2d. shown this year added to the deficit of £2,286 10s. 2d. of last year, gives a total of £3,088 1s. 4d.

The following figures show the Income and Expenditure on the Maintenance Account for the past six years :—

	1922	1923	1924	1925	1926	1927
Income	£6729	£5681	£6441	£7933	£8191	£9696
Expenditure	£6363	£6506	£6928	£8048	£10468	£10497

GRAPHIC COMPARISON OF THE ABOVE FIGURES.

The Board hope during the coming year to formulate a scheme for clearing this adverse balance, feeling that the best work can only be done by an Institution freed from financial embarrassment. At the same time, they have now commenced the current year with a determination that in future the income for maintenance shall meet all demands and with this view have established a far-reaching scheme known as "**The Hospital Guild.**" While the consideration of this organisation does not come within the purview of the present report, it may be said, however, that the enthusiasm with which it has been received and supported leads the Board to believe that next year the financial position will be free from anxiety.

Special thanks are due to Mr. F. Abrahams, Mr. F. Robinson and the Factories and Workshops Collection Committee for the invaluable help given and for the deep interest shown in helping to inaugurate the Hospital Guild.

The Board wish to place on record their appreciation of the efforts of the Hospital Week Committee and their many willing helpers, who again worked so energetically that the funds of the Hospital benefited to the extent of £950. This is an increase of £300 on the sum raised the previous year and had it not been for the fact that the chief effort of the week was marred by the inclement weather, there is no doubt but that the amount raised would have far exceeded the above-named sum. They wish the Committee every success in their efforts during the coming year.

The Board are again indebted to the Hospital Garden Fete Committee and stall organisers, who were able as a result of their annual effort to hand over the sum of £257, and especially to the members of the Kettering Rural District Council and Board of Guardians for their help in connection with this Fete.

Thanks are also due to the members of the Kettering Traders and Shop Assistants' Hospital Fund, coupled with the names of Mr. R. D. Silver (President), Mr. E. W. Claypoole (Hon. Treasurer) and Miss M. A. Hall (Hon. Secretary), for the most acceptable sums of £90 10s. 6d. for 1926 and £105 for 1927. These results show an appreciable increase over previous collections.

The consistent support accorded to the Institution by Annual Subscribers is a matter for gratification. During the closing months of the year a canvass was conducted by several members of the Board, with excellent results. Many firms and private individuals have for the forthcoming year gladly doubled or trebled their subscriptions and in some cases increased them five-fold. This development is, however, incomplete, and the Board feel that there are still many others who would be willing to become new subscribers, or to increase their present contribution.

To the following Committees, who by their efforts were able to hand over substantial amounts to the Hospital, thanks are also due :—

The Monster Whist Drive Committee coupled with the names of Mr. J. Wardiell (Chairman), Mr. R. L. Orsborn (Hon. Treasurer) and Mr. F. Underwood (Hon. Secretary).

Kettering Alexandra Rose Day Committee.

Kettering Amateur Operatic Society.

Kettering Amateur Dramatic Society.

Kettering Hospital Sports Committee.

Kettering Amateur Billiards Championship Committee.

Desborough Special Effort Committee.

Desborough Nursing Association and Hospital Fund Committee.

Thrapston Hospital Week Committee.

Tichmarsh Hospital Week Committee.

Lilford Tennis Tournament Committee.

Burton Latimer Hospital Committee.

Rothwell Hospital Fete Committee.

Kettering Day Scholars' Cot Fund.

Northants. County Police Sports Committee.

SMALL HOUSEHOLD BOXES. Great credit is due to Mrs. H. T. Guest and Miss Joyce Everard, the Joint Secretaries of the Small Household Box Committee, and it is chiefly due to their efforts and the loyal support of their numerous collectors that the splendid sum of £319 8s. 7d. was realised.

BOARD OF MANAGEMENT. The Board desire to place on record their appreciation of the services of the Honorary Treasurer Mr. H. T. Berry.

They feel also that their report would be incomplete without mention of their able Secretary-Superintendent, Mr. H. J. Lancaster, M.C. The work his duties entail is exacting and onerous and calls for tact and enterprise, and his relationship with the numerous and representative Committees of the Town and District proves most helpful to the work of the Board.

The fortnightly meetings of the Board have been well attended, and the members have taken a live interest in the work of the Hospital.

The establishment of a Finance Committee has proved most helpful. This Committee meets regularly each month, when all items of expenditure are closely scrutinized and matters relating to the general financial position of the Hospital are considered

from every aspect. It is largely due to the efforts of this Committee that the Income for the year has been so appreciably increased

WIRELESS FOR THE NURSES. During the year an appeal was made by the "Kettering Evening Telegraph," asking for donations towards the Nurses' Wireless Fund, and so spontaneous was the response that it was possible to install an efficient set complete with loud speakers.

To all the donors to this Fund, to the Editor and Assistant Editor of the "Evening Telegraph," and to Mr. Paul Taylor for free service in connection with the installation, the Board desire to tender their sincere thanks.

HONORARY MEDICAL, RESIDENT MEDICAL AND NURSING STAFFS. The work of the Hon. Medical Officers, Hon. Dental Surgeon, Hon. Radiologist and Hon. Ophthalmic Surgeon becomes more onerous every year, and the thanks, not only of the Board, but of the public of Kettering and district, are due to them for the valuable services they render to the Hospital.

The Resident Medical Officer, Matron and Nursing Staff are to be congratulated upon the painstaking manner in which they have carried out their duties, and which has brought forth much praise from many of the patients.

TRAINING OF NURSES. Since July 1925, when the Institution was recognised as an Associated Training School for Nurses by the General Nursing Council for England and Wales, the following results have been obtained in the Examinations for State Registration of Nurses conducted by the above Council:—

10 Entered for Preliminary Examination,	9 Passed,	1 Failed.
6 Entered for Final Examination,	6 Passed,	0 Failed.

Great credit is due to the Matron, Assistant Matron and Honorary Medical Officers responsible for the training of the Nurses, for this very high percentage of passes (93.75 per cent.) in these important examinations. The results obtained prove conclusively that the standard of efficiency of the Institution is most satisfactory.

MATERNITY WARD. The proposed Maternity Ward referred to in the Report for 1926 was opened for the reception of patients in April, since when 29 cases have been dealt with. Accommodation is provided for 7 patients apart from the Observation and Isolation rooms for more serious cases. This new addition to the many departments of the Institution is proving itself most useful and there is every indication that it will be a great boon to the town and district generally.

KETTERING AND DISTRICT LINEN LEAGUE. A copy of the accounts will be found in this Report. The members of the League, and the Honorary Officers, are to be heartily congratulated upon the splendid results achieved.

GENERAL THANKS. Thanks are accorded to the many Clubs and Committees in the town and district who join in supplying a number of daily papers and periodicals for use in the wards ; to Messrs. Palmer & Sons for keeping the Hospital pianos in repair ; to the Ministers of Religion ; the Honorary Auditors ; the Local Press for publicity ; and to those who have so kindly given presents, provided entertainments for the patients, or who in any other way have supported the Hospital during the year.

OBITUARY. The Board of Management cannot close this Report without referring to the very great loss which the Hospital has sustained in the deaths of Mr. W. Ballard, J.P., and Mr. Frank Mobbs, J.P. Mr. Ballard was a member of the Management Committee from 1897 to 1924, and Chairman of the Board of Management from 1923 until his retirement, owing to ill health, in April 1927 ; whilst Mr. Mobbs served on the Management Committee from 1897 to 1923, of which Committee he was Chairman from 1908 until his retirement in 1923. Both these gentlemen were Trustees of the Hospital, and their personal interest in the work and welfare of the Institution was at all times evident. Each rendered long and valuable service to the Hospital, and their loss is deeply deplored.

On behalf of the Board of Management,

FREDK. J. TEBBUTT,

23rd April, 1928.

Chairman.

Appreciations.

LETTERS FROM GRATEFUL PATIENTS.

" I hasten to express my sincere gratitude for the splendid attention which I received as a patient at the Hospital.

" It would be impossible to speak too highly of the general system as also would it be difficult to mention any particular member of the Staff. The whole of them were most attentive always.

" I can unfortunately speak from experience, having had rather more to do with Nursing Homes and Hospitals than most people, and it may afford satisfaction to your Committee to know that both Mrs. _____ and myself are of the opinion that the Kettering Hospital provides everything that a patient could possibly desire.

" In my case, a rather unusual and difficult one, I certainly attribute my rapid recovery to the skilful nursing and excellent attention I received."

_____ (Kettering).

" I should like to express my appreciation and thanks for the care you have taken of my wife during her convalescence after her operation, and I have pleasure in enclosing a small donation of £5 towards the Hospital expenses."

_____ (Beaconsfield).

" I enclose a little help in money towards the Hospital in addition to my thanks for the kindness of the Nurse and Sister and House Surgeon to my husband, Mr. _____, who died in the Hospital on the _____, 1926. I enclose £1 10s. 0d., and hope you will receive it quite safely.

_____ (Barton Seagrave).

Numerous other letters have been received from patients expressing their gratitude and appreciation.

CHARITY.

Charity is a universal duty which it is in everyone's power sometimes to practise ; since every degree of assistance given to another, upon proper motives, is an act of charity. He that can give little assistance himself, may yet perform the duty of charity, by inflaming the ardour of others, and recommending the petitions which he cannot grant, to those who have more to bestow.

The widow who shall give her mite to the Treasury, the poor man who shall bring the thirsty a cup of cold water, shall not lose their reward.
